

# INTERNATIONAL ASSOCIATION OF FAMILY MOVEMENTS FOR RURAL TRAINING

Uruguay, October the 5<sup>th</sup> 2016

**Dear**

**Youngsters, Families, Monitors, Partners, Authorities, Friends of the  
Escuela de la Familia Agrícola de "Santa Elena" (Argentina).**

**Accept my highest consideration**

As president of the AIMFR (Association of Family Movements for Rural Training) and on behalf of the Board of Directors of the associations that make up our organization and every Alternate System School around the world, we stand in solidarity with the Educational Community of «EFA Santa Elena» in the province of Chaco, Argentina, after the fire that destroyed much of the building of the Escuela de la Familia Agrícola.

From the AIMFR, we let you know that beyond the distances we are with you in these painful moments and we put ourselves completely at your disposal to channel aid and support to the extent of our ability.

At this difficult time of distress we would like to accompany you and let us say a quiet prayer to the Creator to protect you, to ease you and give you the necessary strength.

I reiterate our solidarity and permanent disposal for whatever you consider necessary.

Receive an affectionate and warm greeting.

**Octacilio Echenagusía**  
President of the AIMFR
